EXECUTIVE SUMMARY:

Prime Vet Solutions & Logistics is a Tier-1 federal logistics and event operations syndicate. We merge military-grade precision with heavy-duty commercial execution. Led by a 9-year U.S. Air Force Veteran and a 35-year Federal Executive specializing in oversight, compliance, and data integrity, we guarantee every operation is 100% "Audit-Proof" and government inspection-ready. Driven by operational leadership that has managed \$100M+ global automotive logistics, we specialize in high-volume event operations, complex facility support, and tactical supply chain kitting. We deploy the "Institutional Shield"—an impenetrable layer of compliance, heavily insured risk mitigation, and elite teaming partners to execute mission-critical federal contracts with zero variance. Furthermore, Prime Vet is fully capitalized, providing the financial horsepower to fund rapid deployments without delay.

CORE COMPETENCIES:

Mass Gathering & Venue Operations:

Executing zero-defect crowd control, parking, and ticketing infrastructure for federal landmarks and massive civilian events (Air Shows, National Tournaments, Monuments).

- Zero-Defect Traffic Flow & VIP Stack Parking
- SaaS Ticketing & POS Digital Integration
- Commercial Fleet & Bus Clearing

Tactical Swag & Strategic Supply Chain:

Partnered with industry-leading manufacturers (including Eagle Promotions) to deliver high-end branding, military recruitment packages, and rapid-fulfillment apparel drops.

- DoD / Military Specialized Kitting
- Event Merchandising & Apparel Production
- Rapid Supply Chain Fulfillment & Distribution

Site Prep, Logistics & Base Operations:

Bridging the gap between conceptual event planning and hardcore physical execution on the concrete.

- Equipment & Material Marshalling (Storage & Transport)
- Base Operations Support (BOS) & Facility Maintenance

MISSION: TO DELIVER HIGH-STAKES LOGISTICS AND FACILITY SUPPORT THROUGH RIGOROUS REGULATORY COMPLIANCE AND FISCAL ACCOUNTABILITY, ENGINEERED FOR SEAMLESS DIRECT-AWARD EXECUTION

- Heavy Infrastructure Teardown & Timeline Management

Risk Mitigation & "Audit-Proof" Compliance:

We deploy heavily insured, fortified architectures. When we manage your revenue and perimeter, the risk transfers entirely to our syndicate.

- \$5M+ Umbrella Liability & Cyber-Secure Data Environments
- Armored Cash Transport Integration
- Rigorous Governance & Federal Reporting Transparency

DIFFERENTIATORS: THE ELITE EDGE:

- **The Syndicate Model (Turn-Key Fulfillment):** Prime Vet does not operate in a vacuum. We act as the Prime orchestrator, deploying a hand-picked syndicate of elite specialists (armed physical security, enterprise software, massive manufacturing) while retaining 100% federal contract control and liability.
- **Command Leadership & Operational Hustle:** Our executive team brings 35 years of federal compliance oversight paired with aggressive, on-time, on-budget operational execution ("Detroit Hustle" logistics). We build the framework; the team executes the mission.
- **Financial Supremacy & Capitalization:** Prime Vet is fully capitalized to absorb massive upfront operational costs. We offer guaranteed **Net-14 payment terms** to our strategic subcontractors and vendors, ensuring absolute loyalty, priority pricing, and uninterrupted supply chains.
- **The Sole Source Vehicle:** As a certified SDVOSB, EDWOSB, and SDB, Prime Vet is legally positioned for Direct Awards up to \$4.5M (Services) and \$7.0M (Manufacturing), bypassing the standard drawn-out procurement cycle.
- **Federal Subcontracting Goldmine:** Partnering with Prime Vet satisfies multiple mandatory 5% federal socio-economic subcontracting goals (SDVOSB, WOSB, SDB) in a single strike.
